To school officials:

1. This affidavit, properly completed and notarized, authorizes the child in question to attend school in the district in which the grandparent who signed this affidavit resides and the grandparent is authorized to provide consent in all school-related matters and to discuss with the school district the child's educational progress. This affidavit does not preclude the parent, guardian, or custodian of the child from having access to all school records pertinent to the child.
2. The school district may require additional reasonable evidence that the grandparent lives at the address provided in item 5.
3. A school district or school official that reasonably and in good faith relies on this affidavit has no obligation to make any

further inquiry or investigation.

4. The act of a parent, guardian, or custodian of the child to negate, reverse, or otherwise disapprove an action or decision of the grandparent who signed this affidavit constitutes termination of this affidavit. A parent, guardian, or custodian may negate, reverse, or disapprove a grandparent's action or decision only by delivering written notice of negation, reversal, or disapproval to the grandparent and the person acting on the grandparent's action or decision in reliance on this affidavit.

To health care providers:

A person or entity that acts in good faith reliance on a CARETAKER AUTHORIZATION AFFIDAVIT to provide medical, psychological, or dental treatment, without actual knowledge of facts contrary to those stated in the affidavit, is not subject to criminal liability or to civil liability to any person or entity, and is not subject to professional disciplinary action, solely for such reliance if the applicable portions of the form are completed and the grandparent's signature is notarized.
2. The decision of a grandparent, based on a CARETAKER AUTHORIZATION AFFIDAVIT, shall be honored by a health care facility or practitioner, school district, or school official unless the health care facility or practitioner or educational facility or official has actual knowledge that a parent, guardian, or custodian of a child has made a contravening decision to consent to or to refuse medical treatment for the child.
3. The act of a parent, guardian, or custodian of the child to negate, reverse, or otherwise disapprove an action or decision of the grandparent who signed this affidavit constitutes termination of this affidavit. A parent, guardian, or custodian may negate, reverse, or disapprove a grandparent's action or decision only by delivering written notice of negation, reversal, or disapproval to the grandparent and the person acting on the grandparent's action or decision in reliance on this affidavit.

Sec. 3109.67. A caretaker authorization affidavit described in section 3109.66 of the Revised Code is executed when the affidavit is completed, signed by a grandparent described in section 3109.65 of the Revised Code, and notarized.

Sec. 3109.68. (A) As used in this section, "temporary custody," "permanent custody," and "planned permanent living arrangement" have the same meanings as in section 2151.011 of the Revised Code.

(B) A caretaker authorization affidavit may not be executed with respect to a child while any of the following proceedings are pending regarding the child:

(1) A proceeding for the appointment of a guardian for, or the adoption of, the child;

(2) A juvenile proceeding in which one of the following applies:

(a) The temporary, permanent, or legal custody of the child or the placement of the child in a planned permanent living arrangement has been requested.

(b) The child is the subject of an ex parte emergency custody order issued under division (D) of section 2151.31 of the Revised Code, and no hearing has yet been held regarding the child under division (A) of section 2151.314 of the Revised Code.

(c) The child is the subject of a temporary custody order issued under section 2151.33 of the Revised Code.

(3) A proceeding for divorce, dissolution, legal separation, annulment, or allocation of parental rights and responsibilities regarding the child.

Sec. 3109.69. Once a caretaker authorization affidavit has been executed under section 3109.67 of the Revised Code, the grandparent may exercise care, physical custody, and control of the child, including enrolling the child in school, discussing with the school district the child's educational progress, consenting to all school-related matters regarding the child, and consenting to medical, psychological, or dental treatment for the child. The affidavit does not affect the rights and responsibilities of the parent, guardian, or custodian regarding the child, does not grant legal custody to the grandparent, and does not grant authority to the grandparent to consent to the marriage or adoption of the child.

Sec. 3109.70. An executed caretaker authorization affidavit shall terminate on the occurrence of whichever of the following comes first:

(A) One year elapses following the date the affidavit is notarized.

(B) The child ceases to reside with the grandparent.

(C) The parent, guardian, or custodian of the child who is the subject of the affidavit acts, in accordance with section 3109.72 of the Revised Code, to negate, reverse, or otherwise disapprove an action or decision of the grandparent who signed the affidavit with respect to the child.

(D) The affidavit is terminated by court order.

(E) The death of the child who is the subject of the affidavit.

The grandparent shall make the notifications not later than one week after the date the affidavit terminates.

Sec. 3109.72. The parent, guardian, or custodian of a child may negate, reverse, or otherwise disapprove any action taken or decision made pursuant to a caretaker authorization affidavit unless negation, reversal, or disapproval would jeopardize the life, health, or safety of the child. A parent, guardian, or custodian may negate, reverse, or disapprove a caretaker's action or decision only by delivering written notice of negation, reversal, or disapproval to the caretaker and the person responding to the caretaker's action or decision in reliance on the affidavit. The act to negate, reverse, or disapprove the action or decision, regardless of whether it is effective, terminates the affidavit.

Sec. 3109.73. A person who, in good faith, relies on or takes action in reliance on a caretaker authorization affidavit is immune from any criminal or civil liability for injury, death, or loss to persons or property that might otherwise be incurred or imposed solely as a result of the reliance or action. The person is not subject to any disciplinary action from an entity that licenses or certifies the person. Any medical, psychological, or dental treatment provided to a child in reliance on an affidavit with respect to the child shall be considered to have been provided in good faith if the the person providing the treatment had no actual knowledge of opposition by the parent, guardian, or custodian.

This section does not provide immunity from civil or criminal liability to any person for actions that are wanton, reckless, or inconsistent with the ordinary standard of care required to be exercised by anyone acting in the same capacity as the person.

The power of attorney or affidavit shall be filed not later than five days after the date it is created or executed

and may be sent to the court by certified mail.

(B) A power of attorney filed under this section shall be accompanied by a receipt showing that the notice of creation of the power of attorney was sent to the parent who is not the residential parent and legal custodian by certified mail under section 3109.55 of the Revised Code.

(C)(1) The grandparent designated as attorney in fact or the grandparent who executed the affidavit shall include with the power of attorney or the caretaker authorization affidavit the information described in section 3109.27 of the Revised Code.

(2) If the grandparent provides information that the grandparent previously has been convicted of or pleaded guilty to any criminal offense involving any act that resulted in a child being an abused child or a neglected child or previously has been determined, in a case in which a child has been adjudicated an abused child or a neglected child, to be the perpetrator of the abusive or neglectful act that was the basis of the adjudication, the court may report that information to the public children services agency pursuant to section 2151.421 of the Revised Code. Upon the receipt of that information, the public children services agency shall initiate an investigation pursuant to section 2151.421 of the Revised Code.

(3) If the court has reason to believe that a power of attorney or caretaker authorization affidavit is not in the best interest of the child, the court may report that information to the public children services agency pursuant to section 2151.421 of the Revised Code. Upon receipt of that information, the public children services agency shall initiate an investigation pursuant to section 2151.421 of the Revised Code. The public children services agency shall submit a report of its investigation to the court not later than thirty days after the court reports the information to the public children services agency or not later than forty-five days after the court reports the information to the public children services agency when information that is needed to determine the case disposition cannot be compiled within thirty days and the reasons are documented in the case record.

(D) The court shall waive any filing fee imposed for the filing of the power of attorney or caretaker authorization affidavit.

Sec. 3109.75. On the request of the person in charge of admissions of a school or a person described under division (A)(1)(b) of section 2151.421 of the Revised Code, the court in which the power of attorney or caretaker authorization affidavit was filed shall verify whether a power of attorney or caretaker authorization affidavit has been filed under section 3109.74 of the Revised Code with respect to a child.

Sec. 3109.76. If a second or subsequent power of attorney is created under section 3109.52 of the Revised Code regarding a child who is the subject of a prior power of attorney or a second or subsequent caretaker authorization affidavit is executed under section 3109.67 of the Revised Code regarding a child who is the subject of a prior affidavit, the person who creates the power of attorney or executes the affidavit must file it with the juvenile court of the county in which the grandparent designated as attorney in fact or the grandparent who executed the affidavit resides or with any other court that has jurisdiction over the child under a previously filed motion or proceeding.

Sec. 3109.77. (A) On the filing of a power of attorney or caretaker authorization affidavit under section 3109.76 of the Revised Code, the court in which the power of attorney or caretaker authorization affidavit was filed shall schedule a hearing to determine whether the power of attorney or affidavit is in the child's best interest. The court shall provide notice of the date, time, and location of the hearing to the parties and to the parent who is not the residential parent and legal custodian unless one of the following circumstances applies:

(C) At the conclusion of the hearing, the court may take any of the following actions that the court determines is in the child's best interest:

(1) Approve the power of attorney or affidavit. If approved, the power of attorney or affidavit shall remain in effect unless otherwise terminated under section 3109.59 of the Revised Code with respect to a power of attorney or section 3109.70 of the Revised Code with respect to an affidavit.

(2) Issue an order terminating the power of attorney or affidavit and ordering the child returned to the child's parent, guardian, or custodian. If the parent, guardian, or custodian of the child cannot be located, the court shall treat the filing of the power of attorney or affidavit with the court as a complaint under section 2151.27 of the Revised Code that the child is a dependent child.

(3) Treat the filing of the power of attorney or affidavit as a petition for legal custody and award legal custody of the child to the grandparent designated as the attorney in fact under the power of attorney or to the grandparent who executed the affidavit.

(D) The court shall conduct a de novo review of any order issued under division (C) of this section if all of the following apply regarding the parent who is not the residential parent and legal custodian:

A power of attorney created under section 3109.52 of the Revised Code or a caretaker authorization affidavit executed under section 3109.67 of the Revised Code shall not affect the enforcement of an administrative child support order or court child support order, unless a child support enforcement agency, with respect to an administrative child support order, or a court, with respect to either order, issues an order providing otherwise.

Upon request, the grandparent shall complete any consent form required by the district. A school district shall not incur any liability solely because of its receipt of a consent form from a grandparent in lieu of a parent.

Division (F)(11) of this section does not create, and shall not be construed as creating, a new cause of action or substantive legal right against a school district, a member of a board of education, or an employee of a school district. This section does not affect, and shall not be construed as affecting, any immunities from defenses to tort liability created or recognized by Chapter 2744. of the Revised Code for a school district, member, or employee.

(12) A child under the age of twenty-two years is entitled to attend school in a school district other than the district in which the child is entitled to attend school under division (B), (C), or (E) of this section provided that, prior to such attendance in any school year, both of the following occur:

(a) The superintendent of the district in which the child is entitled to attend school under division (B), (C), or (E) of this section contacts the superintendent of another district for purposes of this division;

(b) The superintendents of both districts enter into a written agreement that consents to the attendance and specifies that the purpose of such attendance is to protect the student's physical or mental well-being or to deal with other extenuating circumstances deemed appropriate by the superintendents.

While an agreement is in effect under this division for a student who is not receiving special education under Chapter 3323. of the Revised Code and notwithstanding Chapter 3327. of the Revised Code, the board of education of neither school district involved in the agreement is required to provide transportation for the student to and from the school where the student attends.

A student attending a school of a district pursuant to this division shall be allowed to participate in all student activities, including interscholastic athletics, at the school where the student is attending on the same basis as any student who has always attended the schools of that district while of compulsory school age.

(13) All school districts shall comply with the "McKinney-Vento Homeless Assistance Act," 42 U.S.C.A. 11431 et seq., for the education of homeless children. Each city, local, and exempted village school district shall comply with the requirements of that act governing the provision of a free, appropriate public education, including public preschool, to each homeless child.

When a child loses permanent housing and becomes a homeless person, as defined in 42 U.S.C.A. 11481(5), or when a child who is such a homeless person changes temporary living arrangements, the child's parent or guardian shall have the option of enrolling the child in either of the following:

(a) The child's school of origin, as defined in 42 U.S.C.A. 11432(g)(3)(C);

(b) The school that is operated by the school district in which the shelter where the child currently resides is located and that serves the geographic area in which the shelter is located.

(G) A board of education, after approving admission, may waive tuition for students who will temporarily reside in the district and who are either of the following:

(1) Residents or domiciliaries of a foreign nation who request admission as foreign exchange students;

(2) Residents or domiciliaries of the United States but not of Ohio who request admission as participants in an exchange program operated by a student exchange organization.

(H) Pursuant to sections 3311.211, 3313.90, 3319.01, 3323.04, 3327.04, and 3327.06 of the Revised Code, a child may attend school or participate in a special education program in a school district other than in the district where the child is entitled to attend school under division (B) of this section.

(I)(1) Notwithstanding anything to the contrary in this section or section 3313.65 of the Revised Code, a child under twenty-two years of age may attend school in the school district in which the child, at the end of the first full week of October of the school year, was entitled to attend school as otherwise provided under this section or section 3313.65 of the Revised Code, if at that time the child was enrolled in the schools of the district but since that time the child or the child's parent has relocated to a new address located outside of that school district and within the same county as the child's or parent's address immediately prior to the relocation. The child may continue to attend school in the district, and at the school to which the child was assigned at the end of the first full week of October of the current school year, for the balance of the school year. Division (I)(1) of this section applies only if both of the following conditions are satisfied:

(a) The board of education of the school district in which the child was entitled to attend school at the end of the first full week in October and of the district to which the child or child's parent has relocated each has adopted a policy to enroll children described in division (I)(1) of this section.

(b) The child's parent provides written notification of the relocation outside of the school district to the superintendent of each of the two school districts.

(2) At the beginning of the school year following the school year in which the child or the child's parent relocated outside of the school district as described in division (I)(1) of this section, the child is not entitled to attend school in the school district under that division.

(3) Any person or entity owing tuition to the school district on behalf of the child at the end of the first full week in October, as provided in division (C) of this section, shall continue to owe such tuition to the district for the child's attendance under division (I)(1) of this section for the lesser of the balance of the school year or the balance of the time that the child attends school in the district under division (I)(1) of this section.

(4) A pupil who may attend school in the district under division (I)(1) of this section shall be entitled to transportation services pursuant to an agreement between the district and the district in which the child or child's parent has relocated unless the districts have not entered into such agreement, in which case the child shall be entitled to transportation services

in the same manner as a pupil attending school in the district under interdistrict open enrollment as described in division (H) of section 3313.981 of the Revised Code, regardless of whether the district has adopted an open enrollment policy as described in division (B)(1)(b) or (c) of section 3313.98 of the Revised Code.

(J) This division does not apply to a child receiving special education.

A school district required to pay tuition pursuant to division (C)(2) or (3) of this section or section 3313.65 of the Revised Code shall have an amount deducted under division (F) of section 3317.023 of the Revised Code equal to its own tuition rate for the same period of attendance. A school district entitled to receive tuition pursuant to division (C)(2) or (3) of this section or section 3313.65 of the Revised Code shall have an amount credited under division (F) of section 3317.023 of the Revised Code equal to its own tuition rate for the same period of attendance. If the tuition rate credited to the district of attendance exceeds the rate deducted from the district required to pay tuition, the department of education shall pay the district of attendance the difference from amounts deducted from all districts' payments under division (F) of section 3317.023 of the Revised Code but not credited to other school districts under such division and from appropriations made for such purpose. The treasurer of each school district shall, by the fifteenth day of January and July, furnish the superintendent of public instruction a report of the names of each child who attended the district's schools under divisions (C)(2) and (3) of this section or section 3313.65 of the Revised Code during the preceding six calendar months, the duration of the attendance of those children, the school district responsible for tuition on behalf of the child, and any other information that the superintendent requires.

Upon receipt of the report the superintendent, pursuant to division (F) of section 3317.023 of the Revised Code, shall deduct each district's tuition obligations under divisions (C)(2) and (3) of this section or section 3313.65 of the Revised Code and pay to the district of attendance that amount plus any amount required to be paid by the state.

(K) In the event of a disagreement, the superintendent of public instruction shall determine the school district in which the parent resides.

(L) Nothing in this section requires or authorizes, or shall be construed to require or authorize, the admission to a public school in this state of a pupil who has been permanently excluded from public school attendance by the superintendent of public instruction pursuant to sections 3301.121 and 3313.662 of the Revised Code.

Sec. 3313.649. (A) As used in this section:

(1) "Power of attorney" means a power of attorney created under section 3109.52 of the Revised Code.

(2) "Caretaker authorization affidavit" means an affidavit executed under section 3109.67 of the Revised Code.

(B) The grandparent who is attorney in fact under a power of attorney or the grandparent that executed a caretaker authorization affidavit may enroll the child who is the subject of the power of attorney or affidavit in a school in the school district in which the grandparent resides. Unless another reason exists under the Revised Code to exclude the child, the child may attend the schools of the school district in which the grandparent resides.

Sec. 3313.66. (A) Except as provided under division (B)(2) of this section, the superintendent of schools of a city, exempted village, or local school district, or the principal of a public school may suspend a pupil from school for not more than ten school days. The board of education of a city, exempted village, or local school district may adopt a policy granting assistant principals and other administrators the authority to suspend a pupil from school for a period of time as specified in the policy of the board of education, not to exceed ten school days. If at the time a suspension is imposed there are fewer than ten school days remaining in the school year in which the incident that gives rise to the suspension takes place, the superintendent may apply any remaining part or all of the period of the suspension to the following school year. Except in the case of a pupil given an in-school suspension, no pupil shall be suspended unless prior to the suspension such superintendent or principal does both of the following:

(1) Gives the pupil written notice of the intention to suspend the pupil and the reasons for the intended suspension and, if the proposed suspension is based on a violation listed in division (A) of section 3313.662 of the Revised Code and if the pupil is sixteen years of age or older, includes in the notice a statement that the superintendent may seek to permanently exclude the pupil if the pupil is convicted of or adjudicated a delinquent child for that violation;

(2) Provides the pupil an opportunity to appear at an informal hearing before the principal, assistant principal, superintendent, or superintendent's designee and challenge the reason for the intended suspension or otherwise to explain the pupil's actions.

(B)(1) Except as provided under division (B)(2), (3), or (4) of this section, the superintendent of schools of a city, exempted village, or local school district may expel a pupil from school for a period not to exceed the greater of eighty school days or the number of school days remaining in the semester or term in which the incident that gives rise to the expulsion takes

place, unless the expulsion is extended pursuant to division (F) of this section. If at the time an expulsion is imposed there are fewer than eighty school days remaining in the school year in which the incident that gives rise to the expulsion takes place, the superintendent may apply any remaining part or all of the period of the expulsion to the following school year.

(2)(a) Unless a pupil is permanently excluded pursuant to section 3313.662 of the Revised Code, the superintendent of schools of a city, exempted village, or local school district shall expel a pupil from school for a period of one year for bringing a firearm to a school operated by the board of education of the district or onto any other property owned or controlled by the board, except that the superintendent may reduce this requirement on a case-by-case basis in accordance with the policy adopted by the board under section 3313.661 of the Revised Code.

(b) The superintendent of schools of a city, exempted village, or local school district may expel a pupil from school for a period of one year for bringing a firearm to an interscholastic competition, an extracurricular event, or any other school program or activity that is not located in a school or on property that is owned or controlled by the district. The superintendent may reduce this disciplinary action on a case-by-case basis in accordance with the policy adopted by the board under section 3313.661 of the Revised Code.

(c) Any expulsion pursuant to division (B)(2) of this section shall extend, as necessary, into the school year following the school year in which the incident that gives rise to the expulsion takes place. As used in this division, "firearm" has the same meaning as provided pursuant to the "Gun-Free Schools Act of 1994," 108 Stat. 270, 20 U.S.C. 8001(a)(2).

(3) The board of education of a city, exempted village, or local school district may adopt a resolution authorizing the superintendent of schools to expel a pupil from school for a period not to exceed one year for bringing a knife to a school operated by the board, onto any other property owned or controlled by the board, or to an interscholastic competition, an extracurricular event, or any other program or activity sponsored by the school district or in which the district is a participant, or for possessing a firearm or knife at a school, on any other property owned or controlled by the board, or at an interscholastic competition, an extracurricular event, or any other school program or activity, which firearm or knife was initially brought onto school board property by another person. The resolution may authorize the superintendent to extend such an expulsion, as necessary, into the school year following the school year in which the incident that gives

rise to the expulsion takes place.

(4) The board of education of a city, exempted village, or local school district may adopt a resolution establishing a policy under section 3313.661 of the Revised Code that authorizes the superintendent of schools to expel a pupil from school for a period not to exceed one year for committing an act that is a criminal offense when committed by an adult and that results in serious physical harm to persons as defined in division (A)(5) of section 2901.01 of the Revised Code or serious physical harm to property as defined in division (A)(6) of section 2901.01 of the Revised Code while the pupil is at school, on any other property owned or controlled by the board, or at an interscholastic competition, an extracurricular event, or any other school program or activity. Any expulsion under this division shall extend, as necessary, into the school year following the school year in which the incident that gives rise to the expulsion takes place.

(5) The board of education of any city, exempted village, or local school district may adopt a resolution establishing a policy under section 3313.661 of the Revised Code that authorizes the superintendent of schools to expel a pupil from school for a period not to exceed one year for making a bomb threat to a school building or to any premises at which a school activity is occurring at the time of the threat. Any expulsion under this division shall extend, as necessary, into the school year following the school year in which the incident that gives rise to the expulsion takes place.

(6) No pupil shall be expelled under division (B)(1), (2), (3), (4), or (5) of this section unless, prior to the pupil's expulsion, the superintendent does both of the following:

(a) Gives the pupil and the pupil's parent, guardian, or custodian written notice of the intention to expel the pupil;

(b) Provides the pupil and the pupil's parent, guardian, custodian, or representative an opportunity to appear in person before the superintendent or the superintendent's designee to challenge the reasons for the intended expulsion or otherwise to explain the pupil's actions.

The notice required in this division shall include the reasons for the intended expulsion, notification of the opportunity of the pupil and the pupil's parent, guardian, custodian, or representative to appear before the superintendent or the superintendent's designee to challenge the reasons for the intended expulsion or otherwise to explain the pupil's action, and notification of the time and place to appear. The time to appear shall not be earlier than three nor later than five school days after the notice is given, unless the superintendent grants an extension of time at the request of the pupil or the pupil's parent, guardian, custodian, or representative. If an

extension is granted after giving the original notice, the superintendent shall notify the pupil and the pupil's parent, guardian, custodian, or representative of the new time and place to appear. If the proposed expulsion is based on a violation listed in division (A) of section 3313.662 of the Revised Code and if the pupil is sixteen years of age or older, the notice shall include a statement that the superintendent may seek to permanently exclude the pupil if the pupil is convicted of or adjudicated a delinquent child for that violation.

(7) A superintendent of schools of a city, exempted village, or local school district shall initiate expulsion proceedings pursuant to this section with respect to any pupil who has committed an act warranting expulsion under the district's policy regarding expulsion even if the pupil has withdrawn from school for any reason after the incident that gives rise to the hearing but prior to the hearing or decision to impose the expulsion. If, following the hearing, the pupil would have been expelled for a period of time had the pupil still been enrolled in the school, the expulsion shall be imposed for the same length of time as on a pupil who has not withdrawn from the school.

(C) If a pupil's presence poses a continuing danger to persons or property or an ongoing threat of disrupting the academic process taking place either within a classroom or elsewhere on the school premises, the superintendent or a principal or assistant principal may remove a pupil from curricular activities or from the school premises, and a teacher may remove a pupil from curricular activities under the teacher's supervision, without the notice and hearing requirements of division (A) or (B) of this section. As soon as practicable after making such a removal, the teacher shall submit in writing to the principal the reasons for such removal.

If a pupil is removed under this division from a curricular activity or from the school premises, written notice of the hearing and of the reason for the removal shall be given to the pupil as soon as practicable prior to the hearing, which shall be held within three school days from the time the initial removal is ordered. The hearing shall be held in accordance with division (A) of this section unless it is probable that the pupil may be subject to expulsion, in which case a hearing in accordance with division (B) of this section shall be held, except that the hearing shall be held within three school days of the initial removal. The individual who ordered, caused, or requested the removal to be made shall be present at the hearing.

If the superintendent or the principal reinstates a pupil in a curricular activity under the teacher's supervision prior to the hearing following a removal under this division, the teacher, upon request, shall be given in

writing the reasons for such reinstatement.

(D) The superintendent or principal, within one school day after the time of a pupil's expulsion or suspension, shall notify in writing the parent, guardian, or custodian of the pupil and the treasurer of the board of education of the expulsion or suspension. The notice shall include the reasons for the expulsion or suspension, notification of the right of the pupil or the pupil's parent, guardian, or custodian to appeal the expulsion or suspension to the board of education or to its designee, to be represented in all appeal proceedings, to be granted a hearing before the board or its designee in order to be heard against the suspension or expulsion, and to request that the hearing be held in executive session, notification that the expulsion may be subject to extension pursuant to division (F) of this section if the pupil is sixteen years of age or older, and notification that the superintendent may seek the pupil's permanent exclusion if the suspension or expulsion was based on a violation listed in division (A) of section 3313.662 of the Revised Code that was committed when the child was sixteen years of age or older and if the pupil is convicted of or adjudicated a delinquent child for that violation.

Any superintendent expelling a pupil under this section for more than twenty school days or for any period of time if the expulsion will extend into the following semester or school year shall, in the notice required under this division, provide the pupil and the pupil's parent, guardian, or custodian with information about services or programs offered by public and private agencies that work toward improving those aspects of the pupil's attitudes and behavior that contributed to the incident that gave rise to the pupil's expulsion. The information shall include the names, addresses, and phone numbers of the appropriate public and private agencies.

(E) A pupil or the pupil's parent, guardian, or custodian may appeal the pupil's expulsion by a superintendent or suspension by a superintendent, principal, assistant principal, or other administrator to the board of education or to its designee. The pupil or the pupil's parent, guardian, or custodian may be represented in all appeal proceedings and shall be granted a hearing before the board or its designee in order to be heard against the suspension or expulsion. At the request of the pupil or of the pupil's parent, guardian, custodian, or attorney, the board or its designee may hold the hearing in executive session but shall act upon the suspension or expulsion only at a public meeting. The board, by a majority vote of its full membership or by the action of its designee, may affirm the order of suspension or expulsion, reinstate the pupil, or otherwise reverse, vacate, or modify the order of suspension or expulsion.

The board or its designee shall make a verbatim record of hearings held under this division. The decisions of the board or its designee may be appealed under Chapter 2506. of the Revised Code.

This section shall not be construed to require notice and hearing in accordance with division (A), (B), or (C) of this section in the case of normal disciplinary procedures in which a pupil is removed from a curricular activity for a period of less than one school day and is not subject to suspension or expulsion.

(F)(1) If a pupil is expelled pursuant to division (B) of this section for committing any violation listed in division (A) of section 3313.662 of the Revised Code and the pupil was sixteen years of age or older at the time of committing the violation, if a complaint, indictment, or information is filed alleging that the pupil is a delinquent child based upon the commission of the violation or the pupil is prosecuted as an adult for the commission of the violation, and if the resultant juvenile court or criminal proceeding is pending at the time that the expulsion terminates, the superintendent of schools that expelled the pupil may file a motion with the court in which the proceeding is pending requesting an order extending the expulsion for the lesser of an additional eighty days or the number of school days remaining in the school year. Upon the filing of the motion, the court immediately shall schedule a hearing and give written notice of the time, date, and location of the hearing to the superintendent and to the pupil and the pupil's parent, guardian, or custodian. At the hearing, the court shall determine whether there is reasonable cause to believe that the pupil committed the alleged violation that is the basis of the expulsion and, upon determining that reasonable cause to believe the pupil committed the violation does exist, shall grant the requested extension.

(2) If a pupil has been convicted of or adjudicated a delinquent child for a violation listed in division (A) of section 3313.662 of the Revised Code for an act that was committed when the child was sixteen years of age or older, if the pupil has been expelled pursuant to division (B) of this section for that violation, and if the board of education of the school district of the school from which the pupil was expelled has adopted a resolution seeking the pupil's permanent exclusion, the superintendent may file a motion with the court that convicted the pupil or adjudicated the pupil a delinquent child requesting an order to extend the expulsion until an adjudication order or other determination regarding permanent exclusion is issued by the superintendent of public instruction pursuant to section 3301.121 and division (D) of section 3313.662 of the Revised Code. Upon the filing of the motion, the court immediately shall schedule a hearing and give written

notice of the time, date, and location of the hearing to the superintendent of the school district, the pupil, and the pupil's parent, guardian, or custodian. At the hearing, the court shall determine whether there is reasonable cause to believe the pupil's continued attendance in the public school system may endanger the health and safety of other pupils or school employees and, upon making that determination, shall grant the requested extension.

(G) The failure of the superintendent or the board of education to provide the information regarding the possibility of permanent exclusion in the notice required by divisions (A), (B), and (D) of this section is not jurisdictional, and the failure shall not affect the validity of any suspension or expulsion procedure that is conducted in accordance with this section or the validity of a permanent exclusion procedure that is conducted in accordance with sections 3301.121 and 3313.662 of the Revised Code.

(H) With regard to suspensions and expulsions pursuant to divisions (A) and (B) of this section by the board of education of any city, exempted village, or local school district, this section shall apply to any student, whether or not the student is enrolled in the district, attending or otherwise participating in any curricular program provided in a school operated by the board or provided on any other property owned or controlled by the board.

(I) Whenever a student is expelled under this section, the expulsion shall result in removal of the student from the student's regular school setting. However, during the period of the expulsion, the board of education of the school district that expelled the student or any board of education admitting the student during that expulsion period may provide educational services to the student in an alternative setting.

(J)(1) Notwithstanding ~~section~~ sections 3109.51 to 3109.80, 3313.64 or, and 3313.65 of the Revised Code, any school district, after offering an opportunity for a hearing, may temporarily deny admittance to any pupil if one of the following applies:

(a) The pupil has been suspended from the schools of another district under division (A) of this section and the period of suspension, as established under that division, has not expired;

(b) The pupil has been expelled from the schools of another district under division (B) of this section and the period of the expulsion, as established under that division or as extended under division (F) of this section, has not expired.

If a pupil is temporarily denied admission under this division, the pupil shall be admitted to school in accordance with ~~section~~ sections 3109.51 to 3109.80, 3313.64, or 3313.65 of the Revised Code no later than upon expiration of the suspension or expulsion period, as applicable.

(2) Notwithstanding ~~section~~ sections 3109.51 to 3109.80, 3313.64 or, and 3313.65 of the Revised Code, any school district, after offering an opportunity for a hearing, may temporarily deny admittance to any pupil if the pupil has been expelled or otherwise removed for disciplinary purposes from a public school in another state and the period of expulsion or removal has not expired. If a pupil is temporarily denied admission under this division, the pupil shall be admitted to school in accordance with ~~section~~ sections 3109.51 to 3109.80, 3313.64, or 3313.65 of the Revised Code no later than the earlier of the following:

(a) Upon expiration of the expulsion or removal period imposed by the out-of-state school;

(b) Upon expiration of a period established by the district, beginning with the date of expulsion or removal from the out-of-state school, that is no greater than the period of expulsion that the pupil would have received under the policy adopted by the district under section 3313.661 of the Revised Code had the offense that gave rise to the expulsion or removal by the out-of-state school been committed while the pupil was enrolled in the district.

(K) As used in this section:

(1) "Permanently exclude" and "permanent exclusion" have the same meanings as in section 3313.662 of the Revised Code.

(2) "In-school suspension" means the pupil will serve all of the suspension in a school setting.

Sec. 3313.672. (A)(1) At the time of ~~his~~ initial entry to a public or nonpublic school, a pupil shall present to the person in charge of admission any records given ~~him~~ the pupil by the public or nonpublic elementary or secondary school ~~he~~ the pupil most recently attended; a certified copy of an order or decree, or modification of such an order or decree allocating parental rights and responsibilities for the care of a child and designating a residential parent and legal custodian of the child, as provided in division (B) of this section, if that type of order or decree has been issued; a copy of a power of attorney or caretaker authorization affidavit, if either has been executed with respect to the child pursuant to sections 3109.51 to 3109.80 of the Revised Code; and a certification of birth issued pursuant to Chapter 3705. of the Revised Code, a comparable certificate or certification issued pursuant to the statutes of another state, territory, possession, or nation, or a document in lieu of a certificate or certification as described in divisions (A)(1)(a) to (e) of this section. Any of the following shall be accepted in lieu of a certificate or certification of birth by the person in charge of admission:

(a) A passport or attested transcript of a passport filed with a registrar of

passports at a point of entry of the United States showing the date and place of birth of the child;

(b) An attested transcript of the certificate of birth;

(c) An attested transcript of the certificate of baptism or other religious record showing the date and place of birth of the child;

(d) An attested transcript of a hospital record showing the date and place of birth of the child;

(e) A birth affidavit.

(2) Within twenty-four hours of the entry into the school of a pupil described in division (A)(1) of this section, a school official shall request the pupil's official records from the public or nonpublic elementary or secondary school ~~he~~ the pupil most recently attended. If the public or nonpublic school the pupil claims to have most recently attended indicates that it has no record of the pupil's attendance or the records are not received within fourteen days of the date of request, or if the pupil does not present a certification of birth described in division (A)(1) of this section, a comparable certificate or certification from another state, territory, possession, or nation, or another document specified in divisions (A)(1)(a) to (d) of this section, the principal or chief administrative officer of the school shall notify the law enforcement agency having jurisdiction in the area where the pupil resides of this fact and of the possibility that the pupil may be a missing child, as defined in section 2901.30 of the Revised Code.

(B)(1) Whenever an order or decree allocating parental rights and responsibilities for the care of a child and designating a residential parent and legal custodian of the child, including a temporary order, is issued resulting from an action of divorce, alimony, annulment, or dissolution of marriage, and the order or decree pertains to a child who is a pupil in a public or nonpublic school, the residential parent of the child shall notify the school of those allocations and designations by providing the person in charge of admission at the pupil's school with a certified copy of the order or decree that made the allocation and designation. Whenever there is a modification of any order or decree allocating parental rights and responsibilities for the care of a child and designating a residential parent and legal custodian of the child that has been submitted to a school, the residential parent shall provide the person in charge of admission at the pupil's school with a certified copy of the order or decree that makes the modification.

(2) Whenever a power of attorney is executed under sections 3109.51 to 3109.62 of the Revised Code that pertains to a child who is a pupil in a public or nonpublic school, the attorney in fact shall notify the school of the

power of attorney by providing the person in charge of admission with a copy of the power of attorney. Whenever a caretaker authorization affidavit is executed under sections 3109.64 to 3109.73 of the Revised Code that pertains to a child who is in a public or nonpublic school, the grandparent who executed the affidavit shall notify the school of the affidavit by providing the person in charge of admission with a copy of the affidavit.

(C) If, at the time of a pupil's initial entry to a public or nonpublic school, the pupil is under the care of a shelter for victims of domestic violence, as defined in section 3113.33 of the Revised Code, the pupil or ~~his~~ the pupil's parent shall notify the school of that fact. Upon being so informed, the school shall inform the elementary or secondary school from which it requests the pupil's records of that fact.

SECTION 2. That existing sections 3313.64, 3313.66, and 3313.672 of the Revised Code are hereby repealed.

SECTION 3. Section 3313.66 of the Revised Code is presented in this act as a composite of the section as amended by both H.B. 620 and Am. Sub. S.B. 179 of the 123rd General Assembly. The General Assembly, applying the principle stated in division (B) of section 1.52 of the Revised Code that amendments are to be harmonized if reasonably capable of simultaneous operation, finds that the composite is the resulting version of the section in effect prior to the effective date of the section as presented in this act.
