- Requires any person or political committee intending to make a disbursement for the direct costs of producing or airing electioneering communications to establish an electioneering communication committee and to file a notice with the office of the Secretary of State about the committee's establishment prior to making such a disbursement (sec. 3517.1011(C)).
- Specifies that an electioneering communication committee must be considered to have made a disbursement if the person has entered into a contract to make the disbursement (sec. 3517.1011(B)).
- Requires an electioneering communication committee that makes a disbursement to electronically file with the Secretary of State's office, within 24 hours of the first disclosure date and weekly thereafter under specified circumstances, a disclosure of electioneering communications statement containing specified information (sec. 3517.1011(A)(5) and (D)).
- Establishes a fine of not more than \$10,000 plus not more than \$1,000 per day for a person who fails to establish or fails to timely file a required notice that the person is establishing, an electioneering communication committee or who fails to file a required disclosure of electioneering communications statement (sec. 3517.992(BB)).

- Generally applies the provisions of the Campaign Finance Law applicable to the filing of campaign finance statements by electronic means of transmission to the filing of disclosure of electioneering communications statements by electronic means of transmission (secs. 3517.10(C)(6) and (D)(6) and (7), 3517.106(H), (I), (J), and (K), and 3517.11(B)(3) and (C)).
- Requires the Secretary of State to store on computer the contribution and disbursement information contained in disclosure of electioneering communications statements and to make that information available online to the public through the Internet (secs. 3517.10(D)(7), 3517.106(B)(2), and 3517.1011(D)(3)).
