(e) Except as otherwise provided in division (D)(5) of this section, the applicant has not been convicted of or pleaded guilty to a felony or an offense under Chapter 2925., 3719., or 4729. of the Revised Code that

involves the illegal possession, use, sale, administration, or distribution of or trafficking in a drug of abuse; has not been adjudicated a delinquent child for committing an act that if committed by an adult would be a felony or would be an offense under Chapter 2925., 3719., or 4729. of the Revised Code that involves the illegal possession, use, sale, administration, or distribution of or trafficking in a drug of abuse; and has not been convicted of, pleaded guilty to, or adjudicated a delinquent child for committing a violation of section 2903.13 of the Revised Code when the victim of the violation is a peace officer, regardless of whether the applicant was sentenced under division (C)(3) of that section.

(f) Except as otherwise provided in division (D)(5) of this section, the applicant, within three years of the date of the application, has not been convicted of or pleaded guilty to a misdemeanor offense of violence other than a misdemeanor violation of section 2921.33 of the Revised Code or a violation of section 2903.13 of the Revised Code when the victim of the violation is a peace officer, or a misdemeanor violation of section 2923.1211 of the Revised Code; and has not been adjudicated a delinquent child for committing an act that if committed by an adult would be a misdemeanor offense of violence other than a misdemeanor violation of section 2921.33 of the Revised Code or a violation of section 2903.13 of the Revised Code when the victim of the violation is a peace officer or for committing an act that if committed by an adult would be a misdemeanor violation of section 2923.1211 of the Revised Code.

(g) Except as otherwise provided in division (D)(1)(e) of this section, the applicant, within five years of the date of the application, has not been convicted of, pleaded guilty to, or adjudicated a delinquent child for committing two or more violations of section 2903.13 or 2903.14 of the Revised Code.

(i) The applicant has not been adjudicated as a mental defective, has not been committed to any mental institution, is not under adjudication of mental incompetence, has not been found by a court to be a mentally ill person subject to hospitalization by court order, and is not an involuntary patient other than one who is a patient only for purposes of observation. As used in this division, "mentally ill person subject to hospitalization by court order" and "patient" have the same meanings as in section 5122.01 of the Revised Code.

(j) The applicant is not currently subject to a civil protection order, a temporary protection order, or a protection order issued by a court of another state.

(k) The applicant certifies that the applicant desires a legal means to carry a concealed handgun for defense of the applicant or a member of the applicant's family while engaged in lawful activity.

(l) The applicant submits a competency certification of the type described in division (B)(3) of this section and submits a certification of the type described in division (B)(4) of this section regarding the applicant's reading of the pamphlet prepared by the Ohio peace officer training commission pursuant to section 109.731 of the Revised Code.

(m) The applicant currently is not subject to a suspension imposed under division (A)(2) of section 2923.128 of the Revised Code of a license to carry a concealed handgun, or a temporary emergency license to carry a concealed handgun, that previously was issued to the applicant under this section or section 2923.1213 of the Revised Code.

(2)(a) A license to carry a concealed handgun that a sheriff issues under division (D)(1) of this section on or after March 14, 2007, shall expire five years after the date of issuance. A license to carry a concealed handgun that a sheriff issued under division (D)(1) of this section prior to March 14, 2007, shall expire four years after the date of issuance.

If a sheriff issues a license under this section, the sheriff shall place on the license a unique combination of letters and numbers identifying the license in accordance with the procedure prescribed by the Ohio peace officer training commission pursuant to section 109.731 of the Revised Code.

(b) If a sheriff denies an application under this section because the applicant does not satisfy the criteria described in division (D)(1) of this section, the sheriff shall specify the grounds for the denial in a written notice to the applicant. The applicant may appeal the denial pursuant to section 119.12 of the Revised Code in the county served by the sheriff who denied the application. If the denial was as a result of the criminal records check conducted pursuant to section 311.41 of the Revised Code and if, pursuant to section 2923.127 of the Revised Code, the applicant challenges the criminal records check results using the appropriate challenge and review procedure specified in that section, the time for filing the appeal pursuant to section 119.12 of the Revised Code and this division is tolled during the pendency of the request or the challenge and review. If the court in an appeal under section 119.12 of the Revised Code and this division enters a judgment sustaining the sheriff's refusal to grant to the applicant a license to

carry a concealed handgun, the applicant may file a new application beginning one year after the judgment is entered. If the court enters a judgment in favor of the applicant, that judgment shall not restrict the authority of a sheriff to suspend or revoke the license pursuant to section 2923.128 or 2923.1213 of the Revised Code or to refuse to renew the license for any proper cause that may occur after the date the judgment is entered. In the appeal, the court shall have full power to dispose of all costs.

(3) If the sheriff with whom an application for a license to carry a concealed handgun was filed under this section becomes aware that the applicant has been arrested for or otherwise charged with an offense that would disqualify the applicant from holding the license, the sheriff shall suspend the processing of the application until the disposition of the case arising from the arrest or charge.

(4) If the sheriff determines that the applicant is legally living in the United States and is a resident of the county in which the applicant seeks the license or of an adjacent county but does not yet meet the residency requirements described in division (D)(1)(a) of this section, the sheriff shall not deny the license because of the residency requirements but shall not issue the license until the applicant meets those residency requirements.

(5) If an applicant has been convicted of or pleaded guilty to an offense identified in division (D)(1)(e), (f), or (h) of this section or has been adjudicated a delinquent child for committing an act or violation identified in any of those divisions, and if a court has ordered the sealing or expungement of the records of that conviction, guilty plea, or adjudication pursuant to sections 2151.355 to 2151.358 or sections 2953.31 to 2953.36 of the Revised Code or a court has granted the applicant relief pursuant to section 2923.14 of the Revised Code from the disability imposed pursuant to section 2923.13 of the Revised Code relative to that conviction, guilty plea, or adjudication, the sheriff with whom the application was submitted shall not consider the conviction, guilty plea, or adjudication in making a determination under division (D)(1) or (F) of this section or, in relation to an application for a temporary emergency license to carry a concealed handgun submitted under section 2923.1213 of the Revised Code, in making a determination under division (B)(2) of that section.

(E) If a license to carry a concealed handgun issued under this section is lost or is destroyed, the licensee may obtain from the sheriff who issued that license a duplicate license upon the payment of a fee of fifteen dollars and the submission of an affidavit attesting to the loss or destruction of the license. The sheriff, in accordance with the procedures prescribed in section 109.731 of the Revised Code, shall place on the replacement license a

combination of identifying numbers different from the combination on the license that is being replaced.

(F)(1) A licensee who wishes to renew a license to carry a concealed handgun issued under this section shall do so not earlier than ninety days before the expiration date of the license or at any time after the expiration date of the license by filing with the sheriff of the county in which the applicant resides or with the sheriff of an adjacent county an application for renewal of the license obtained pursuant to division (D) of this section, a certification by the applicant that, subsequent to the issuance of the license, the applicant has reread the pamphlet prepared by the Ohio peace officer training commission pursuant to section 109.731 of the Revised Code that reviews firearms, dispute resolution, and use of deadly force matters, a nonrefundable license renewal fee unless the fee is waived, and one of the following:

(a) If the licensee previously has not renewed a license to carry a concealed handgun issued under this section, proof that the licensee at one time had a competency certification of the type described in division (B)(3) of this section. A valid license or any other previously issued license that has not been revoked is prima-facie evidence that the licensee at one time had a competency certification of the type described in division (B)(3) of this section.

(b) If the licensee previously has renewed a license to carry a concealed handgun issued under this section, a renewed competency certification of the type described in division (G)(4) of this section.

(2) A sheriff shall accept a completed renewal application, the license renewal fee, and information specified in division (F)(1) of this section at the times and in the manners described in division (I) of this section. Upon receipt of a completed renewal application, of certification that the applicant has reread the specified pamphlet prepared by the Ohio peace officer training commission, of proof of a prior competency certification for an initial renewal or of a renewed competency certification for a second or subsequent renewal, and of a license renewal fee unless the fee is waived, a sheriff, in the manner specified in section 311.41 of the Revised Code shall conduct or cause to be conducted the criminal records check and the incompetency records check described in section 311.41 of the Revised Code. The sheriff shall renew the license if the sheriff determines that the applicant continues to satisfy the requirements described in division (D)(1) of this section, except that the applicant is not required to meet the requirements of division (D)(1)(l) of this section. A renewed license that is renewed on or after March 14, 2007, shall expire five years after the date of

issuance, and a renewed license that is renewed prior to March 14, 2007, shall expire four years after the date of issuance. A renewed license is subject to division (E) of this section and sections 2923.126 and 2923.128 of the Revised Code. A sheriff shall comply with divisions (D)(2) to (4) of this section when the circumstances described in those divisions apply to a requested license renewal. If a sheriff denies the renewal of a license to carry a concealed handgun, the applicant may appeal the denial, or challenge the criminal record check results that were the basis of the denial if applicable, in the same manner as specified in division (D)(2)(b) of this section and in section 2923.127 of the Revised Code, regarding the denial of a license under this section.

(G)(1) Each course, class, or program described in division (B)(3)(a), (b), (c), or (e) of this section shall provide to each person who takes the course, class, or program a copy of the pamphlet prepared by the Ohio peace officer training commission pursuant to section 109.731 of the Revised Code that reviews firearms, dispute resolution, and use of deadly force matters. Each such course, class, or program described in one of those divisions shall include at least twelve hours of training in the safe handling and use of a firearm that shall include all of the following:

(a) At least ten hours of training on the following matters:

(2) To satisfactorily complete the course, class, or program described in division (B)(3)(a), (b), (c), or (e) of this section, the applicant shall pass a competency examination that shall include both of the following:

(a) A written section on the ability to name and explain the rules for the safe handling of a handgun and proper storage practices for handguns and ammunition;

(b) A physical demonstration of competence in the use of a handgun and in the rules for safe handling and storage of a handgun and a physical demonstration of the attitude necessary to shoot a handgun in a safe manner.

(3) The competency certification described in division (B)(3)(a), (b),

(c), or (e) of this section shall be dated and shall attest that the course, class, or program the applicant successfully completed met the requirements described in division (G)(1) of this section and that the applicant passed the competency examination described in division (G)(2) of this section.

(4) A person who previously has received a competency certification as described in division (B)(3) of this section, or who previously has received a renewed competency certification as described in this division, may obtain a renewed competency certification pursuant to this division. If the person previously has received a competency certification or previously has received a renewed competency certification, the person may obtain a renewed competency certification from an entity that offers a course, class, or program described in division (B)(3)(a), (b), (c), or (e) of this section by passing a test that demonstrates that the person is range competent. In these circumstances, the person is not required to attend the course, class, or program or to take the competency examination described in division (G)(2) of this section for the renewed competency certification in order to be eligible to receive a renewed competency certification. A renewed competency certification issued under this division shall be dated and shall attest that the person has demonstrated range competency.

(H) Upon deciding to issue a license, deciding to issue a replacement license, or deciding to renew a license to carry a concealed handgun pursuant to this section, and before actually issuing or renewing the license, the sheriff shall make available through the law enforcement automated data system all information contained on the license. If the license subsequently is suspended under division (A)(1) or (2) of section 2923.128 of the Revised Code, revoked pursuant to division (B)(1) of section 2923.128 of the Revised Code, or lost or destroyed, the sheriff also shall make available through the law enforcement automated data system a notation of that fact. The superintendent of the state highway patrol shall ensure that the law enforcement automated data system is so configured as to permit the transmission through the system of the information specified in this division.

(I) A sheriff shall accept a completed application form or renewal application, and the fee, items, materials, and information specified in divisions (B)(1) to (5) or division (F) of this section, whichever is applicable, and shall provide an application form or renewal application and a copy of the pamphlet described in division (B) of section 109.731 of the Revised Code to any person during at least fifteen hours a week. The sheriff shall post notice of the hours during which the sheriff is available to accept or provide the information described in this division.

Sec. 2923.211. (A) No person under eighteen years of age shall

purchase or attempt to purchase a firearm.

(B) No person under twenty-one years of age shall purchase or attempt to purchase a handgun, provided that this division does not apply to the purchase or attempted purchase of a handgun by a person eighteen years of age or older and under twenty-one years of age if ~~the~~ either of the following apply:

(1) The person ~~eighteen years of age or older and under twenty one years of age~~ is a law enforcement officer who is properly appointed or employed as a law enforcement officer and has received firearms training approved by the Ohio peace officer training council or equivalent firearms training.

(2) The person is an active or reserve member of the armed services of the United States or the Ohio national guard, or was honorably discharged from military service in the active or reserve armed services of the United States or the Ohio national guard, and the person has received firearms training from the armed services or the national guard or equivalent firearms training.

(C) Whoever violates division (A) of this section is guilty of underage purchase of a firearm, a delinquent act that would be a felony of the fourth degree if it could be committed by an adult. Whoever violates division (B) of this section is guilty of underage purchase of a handgun, a misdemeanor of the second degree.

Sec. 3333.31. (A) For state subsidy and tuition surcharge purposes, status as a resident of Ohio shall be defined by the chancellor of the Ohio board of regents by rule promulgated pursuant to Chapter 119. of the Revised Code. No adjudication as to the status of any person under such rule, however, shall be required to be made pursuant to Chapter 119. of the Revised Code. The term "resident" for these purposes shall not be equated with the definition of that term as it is employed elsewhere under the laws of this state and other states, and shall not carry with it any of the legal connotations appurtenant thereto. Rather, except as provided in division (B) of this section, for such purposes, the rule promulgated under this section shall have the objective of excluding from treatment as residents those who are present in the state primarily for the purpose of attending a state-supported or state-assisted institution of higher education, and may prescribe presumptive rules, rebuttable or conclusive, as to such purpose based upon the source or sources of support of the student, residence prior to first enrollment, evidence of intention to remain in the state after completion of studies, or such other factors as the chancellor deems relevant.

(B) The rules of the chancellor for determining student residency shall

grant residency status to a veteran and to the veteran's spouse and any dependent of the veteran, if both of the following conditions are met:

(1) The veteran either:

(a) Served one or more years on active military duty and was honorably discharged or received a medical discharge that was related to the military service;

(b) Was killed while serving on active military duty or has been declared to be missing in action or a prisoner of war.

(2) If the veteran seeks residency status for tuition surcharge purposes, the veteran has established domicile in this state as of the first day of a term of enrollment in an institution of higher education. If the spouse or a dependent of the veteran seeks residency status for tuition surcharge purposes, the veteran and the spouse or dependent seeking residency status have established domicile in this state as of the first day of a term of enrollment in an institution of higher education, except that if the veteran was killed while serving on active military duty or has been declared to be missing in action or a prisoner of war, only the spouse or dependent seeking residency status shall be required to have established domicile in accordance with this division.

(C) The rules of the chancellor for determining student residency shall not deny residency status to a student who is either a dependent child of a parent, or the spouse of a person who, as of the first day of a term of enrollment in an institution of higher education, has accepted full-time employment and established domicile in this state for reasons other than gaining the benefit of favorable tuition rates.

Documentation of full-time employment and domicile shall include both of the following documents:

(1) A sworn statement from the employer or the employer's representative on the letterhead of the employer or the employer's representative certifying that the parent or spouse of the student is employed full-time in Ohio;

(2) A copy of the lease under which the parent or spouse is the lessee and occupant of rented residential property in the state, a copy of the closing statement on residential real property of which the parent or spouse is the owner and occupant in this state or, if the parent or spouse is not the lessee or owner of the residence in which the parent or spouse has established domicile, a letter from the owner of the residence certifying that the parent or spouse resides at that residence.

Residency officers may also evaluate, in accordance with the chancellor's rule, requests for immediate residency status from dependent students whose

parents are not living and whose domicile follows that of a legal guardian who has accepted full-time employment and established domicile in the state for reasons other than gaining the benefit of favorable tuition rates.

~~(C)~~(D) "Dependent," "domicile," "institution of higher education," and "residency officer" have the meanings ascribed in the chancellor's rules adopted under this section.

Sec. 4506.07. (A) Every application for a commercial driver's license, restricted commercial driver's license, or a commercial driver's temporary instruction permit, or a duplicate of such a license, shall be made upon a form approved and furnished by the registrar of motor vehicles. Except as provided in section 4506.24 of the Revised Code in regard to a restricted commercial driver's license, the application shall be signed by the applicant and shall contain the following information:

(1) The applicant's name, date of birth, social security account number, sex, general description including height, weight, and color of hair and eyes, current residence, duration of residence in this state, country of citizenship, and occupation;

(2) Whether the applicant previously has been licensed to operate a commercial motor vehicle or any other type of motor vehicle in another state or a foreign jurisdiction and, if so, when, by what state, and whether the license or driving privileges currently are suspended or revoked in any jurisdiction, or the applicant otherwise has been disqualified from operating a commercial motor vehicle, or is subject to an out-of-service order issued under this chapter or any similar law of another state or a foreign jurisdiction and, if so, the date of, locations involved, and reason for the suspension, revocation, disqualification, or out-of-service order;

(C) Whoever violates division (B) of this section is guilty of a minor misdemeanor.

Sec. 4507.51. (C) In addition to any other information it contains, on and after the date that is fifteen months after the effective date of this amendment, the form furnished by the registrar of motor vehicles for an application for an identification card or duplicate shall inform applicants that the applicant must present a copy of the applicant's DD-214 or an equivalent document in order to qualify to have the card or duplicate indicate that the applicant is an honorably discharged veteran of the armed forces of the United States based on a request made pursuant to division (A)(2)(b) of this section.

Sec. 4507.52. (A) Each identification card issued by the registrar of motor vehicles or a deputy registrar shall display a distinguishing number assigned to the cardholder, and shall display the following inscription:

"STATE OF OHIO IDENTIFICATION CARD

The identification card shall display substantially the same information as contained in the application and as described in division (A)(1) of section 4507.51 of the Revised Code, but shall not display the cardholder's social security number unless the cardholder specifically requests that the cardholder's social security number be displayed on the card. If federal law requires the cardholder's social security number to be displayed on the identification card, the social security number shall be displayed on the card notwithstanding this section. The identification card also shall display the color photograph of the cardholder. If the cardholder has executed a durable power of attorney for health care or a declaration governing the use or continuation, or the withholding or withdrawal, of life-sustaining treatment and has specified that the cardholder wishes the identification card to indicate that the cardholder has executed either type of instrument, the card also shall display any symbol chosen by the registrar to indicate that the cardholder has executed either type of instrument. On and after the date that is fifteen months after the effective date of this amendment, if the cardholder

Every identification card issued to a resident of this state shall expire, unless canceled or surrendered earlier, on the birthday of the cardholder in the fourth year after the date on which it is issued. Every identification card issued to a temporary resident shall expire in accordance with rules adopted by the registrar and is nonrenewable, but may be replaced with a new identification card upon the applicant's compliance with all applicable requirements. If a cardholder applies for a driver's or commercial driver's license in this state or another licensing jurisdiction, the cardholder shall surrender the cardholder's identification card to the registrar or any deputy registrar before the license is issued.

(B) If a card is lost, destroyed, or mutilated, the person to whom the card was issued may obtain a duplicate by doing both of the following:

- (1) Furnishing suitable proof of the loss, destruction, or mutilation to the registrar or a deputy registrar;
- (2) Filing an application and presenting documentary evidence under section 4507.51 of the Revised Code.

Any person who loses a card and, after obtaining a duplicate, finds the original, immediately shall surrender the original to the registrar or a deputy registrar.

A cardholder may obtain a replacement identification card that reflects any change of the cardholder's name by furnishing suitable proof of the

change to the registrar or a deputy registrar and surrendering the cardholder's existing card.

When a cardholder applies for a duplicate or obtains a replacement identification card, the cardholder shall pay a fee of two dollars and fifty cents. A disabled veteran who is a cardholder and has a service-connected disability rated at one hundred per cent by the veterans' administration may apply to the registrar or a deputy registrar for the issuance of a duplicate or replacement identification card without payment of any fee prescribed in this section, and without payment of any lamination fee if the disabled veteran would not be required to pay a lamination fee in connection with the issuance of an identification card or temporary identification card as provided in division (B) of section 4507.50 of the Revised Code.

A duplicate or replacement identification card shall expire on the same date as the card it replaces.

(C) The registrar shall cancel any card upon determining that the card was obtained unlawfully, issued in error, or was altered. The registrar also shall cancel any card that is surrendered to the registrar or to a deputy registrar after the holder has obtained a duplicate, replacement, or driver's or commercial driver's license.

(D)(1) No agent of the state or its political subdivisions shall condition the granting of any benefit, service, right, or privilege upon the possession by any person of an identification card. Nothing in this section shall preclude any publicly operated or franchised transit system from using an identification card for the purpose of granting benefits or services of the system.

(2) No person shall be required to apply for, carry, or possess an identification card.

(E) Except in regard to an identification card issued to a person who applies no more than thirty days before the applicant's twenty-first birthday, neither the registrar nor any deputy registrar shall issue an identification card to a person under twenty-one years of age that does not have the characteristics prescribed by the registrar distinguishing it from the identification card issued to persons who are twenty-one years of age or older.
